Play Cast Begins Practice for October Presentation

Shown above in one of their first rehearsals are the cast of the College production of John Patrick's play, "The Hasty Heart." From left to right, they are as follows: Front row: Harley Hackett, William Hunter, Pat O'Neal Clayton Fox, William Hessler. Back row: Ray Nixon, Martin Whelan, David Cook, Alexander McTaggart. Under the direction of Mr. Biffie Moore, of the College speech department, the three-act comedy will be presented in the College Auditorium on Monday and Tuesday evenings, October 15 and 16, at 8:15 p. m.

College Orientation Course Guides Freshmen Effectively; Preserves Traditions and Aims

Becoming accustomed to a college campus is a task, and the Administration of Northwest Missouri State is promoting a full orientation program for freshmen.

Miss Martha Locke, dean of women, is in charge.

Freshmen meet on Wednesday in two different groups at 3 and 4 p. m. Members of the faculty lead the discussions on the many new opportunities, as well as problems, which the freshmen may have.

Getting a good start is instrumental in maintaining a good record in college, and the orientation program is designed chiefly to meet the students' needs in a practical, functional way. Through such a program the College wishes to prevent social and academic failures.

Is Twelve-Week Program

The twelve-week orientation course includes a consideration of the aims and traditions of Maryville, the curriculum and extra-curriculum, practice and instruction in efficient reading and study methods, and social usage and customs.

Already completed in Northwest Missouri State's orientation program is a social usage unit supervised by Miss Locke.

Today and next week the Student Senate will be in charge of introducing to the freshmen the various organizations on the campus. Presidents of these organizations will give short talks on the aims and objectives of their respective clubs.

Faculty Will Help

Dr. Leon Miller, chairman of the department of education, will present the unit on "How to Study," October 10 and 17. Mr. James Johnson, librarian, will follow with a presentation on how to use the library. This unit will be October 24 and 31.

"Grading System and Registrar Records" will be the subject of Mr. R. F. Foster's orientation offering November 7. His lecture will be concerned primarily with introducing to the freshmen the College grading system and requirements needed for graduation.

W. A. Brandenburg, dean of the faculty, will give a unit on academic problems to conclude the orientation program.

Social Activities Are Included

Freshmen Week, however, with approximately 250 freshmen present, began September 5 at Northwest Missouri State College and concluded September 8.

Social activities began Wednesday evening, September 5, with a square dance in Room 113 of the

Passion Play Will Be Presented Here

For three days, November 8, 9, 10, the Black Hills Passion Players will bring to the College campus their presentation of Christ's last seven days on earth.

The principal player, Josef Meier, has, since childhood, been trained to enact the leading role of the Christ. His ancestors were also Biblical dramatists.

With the full effect of modern technology, the story is told in twenty-two soul-stirring scenes which are enhanced with mammoth settings and colorful authentic costumes.

Working with the Black Hills Players will be a local chorus under the direction of Mr. Turner Tyson.

Moseley Will Show Colored Pictures

Colored motion pictures of Europe, Asia and Africa will be presented Wednesday, October 3, in the College auditorium by James G. Moseley, noted television and radio commentator.

Mr. Moseley, who has also become widely known as an actor, lecturer, and world traveler, will narrate the motion pictures. In his travels, Mr. Moseley has been privileged to come in touch with Pope Pius, Winston Churchill, and many of the royal families of the world.

Nations included in the films are Ireland, England, France, Switzerland, Portugal, Spain, Italy, Greece, Egypt, and Palestine.

Recreation Center!

Perhaps a recreation center in Maryville will soon be a reality! A pledge of \$10,000 has been given to the Nodaway County Swimming Pool and Recreation Center project.

William O. Robbins, head of the Robbins Lightning Protection company, made the pledge on the condition that the plans of the project meet with the approval of the people and win the support needed to carry the plans to completion.

Cash donations totaling more than \$1,000 have already been received by the committee in charge. Mrs. Faye Robinson of Maryville is chairman.

Reception Honors All New Students

The home of Dr. and Mrs. J. W. Jones was the setting for a formal reception given Tuesday night by the College faculty in honor of the members of the freshman class and the Air Force men who are attending school here.

In the receiving line with President and Mrs. J. W. Jones were Dean and Mrs. William A. Brandenburg and Captain and Mrs. Howard M. Wandrup.

Fall was the theme of decoration which was carried out by the use of fall flowers about the house.

Miss Wilma Wade and Mrs. Myrtle Dacklen presided at the refreshment table which was centered with an arrangement of yellow and bronze chrysanthemums and lighted tapers. A reception for the upper-classmen and Air Force will be held at a later date.

Lives Near Boston
Mrs. Earl H. Shultz, the former Mary Lloyd Taul, who graduated from the College in 1946, is now living near Boston, Massachusetts, where her husband is stationed with the United States Army.

Committee Plans for Better Homecoming

"The Hasty Heart" Will Be Fall Presentation of Drama Group

"The Hasty Heart," the first production of the College speech department, will be presented October 15 and 16 at 8:15 p. m. in the College auditorium, under the direction of Mr. Biffie Moore.

Tickets for the play will go on sale a week before the performance and may be secured by mail. Students may obtain tickets with their activity cards but must do so before the opening night.

O'Neal and Fox Have Leads

Marian "Pat" O'Neal as Margaret and Clayton Fox as Lachlen, will carry the leads. Other members of the cast are William Hunter as the Orderly, Martin Whelan as Yank, Alexander McTaggart as Digger, William Hessler as Kiwi, David Cook as Tommy, Ray Nixon as the Colonel, and Harley Hackett as Blossom. Mr. Ralph Fulson will assist on the production.

"The Hasty Heart," a comedy by John Patrick, was chosen because of its audience appeal. Popularized recently by Hollywood in a motion picture, this play has also been produced successfully on Broadway as well as by civic and university theater players.

Students Help With Production

Students working on production crews are Tad Allen, Bernard O'Dell, Roberta Cronkrite, Betty Eisminger, Evelyn Spring, Bill Hull, Sue Condon, Marvin Combs, Sue Hood, Frank Babb, Richard Jenkins, Jesse Masters, Louise Novinger, Merilyn Allen, Rosayn Richardson, Wendall Brown, Martha Judah, Shirley Watson, Clyde Hulet, Floyd Adams, and James Totten.

Mr. Fulson and Mr. Moore have made tentative plans for the speech department this year. After "The Hasty Heart" will come the Homecoming stage shows. During the winter quarter probably the play "Noah," a Christmas play, and three one-act plays will be produced. Highlighting the spring quarter calendar will be the presentation of an opera or a light opera in conjunction with the music department. Also in the spring, three one-act plays will be given.

The one-act plays will be presented in Room 103 as Studio Theater productions. The purpose of this program is to give students experience in acting, directing and other production elements. Admission will be free, and students and public will be invited.

Let's Have Fun

Every school evening the Student Union Room will be open from 7-9:15. Students are invited to participate in the recreational facilities which will be there for their use.

Wedding Date Is Announced

Miss Hattie M. Houpp, director of Residence Hall, will be married to Ted Hochenauser, of St. Joseph, on December 22.

Air Force Stages All-School Dance

Will Have Orchestra, Various Refreshments

Plans for a dance given by the Air Force, to be held in the Bearcat Den Lounge, September 28, are being made!

Quite an evening is in store for those who attend. All college students are guests of the Air Force. The music will be furnished by Dutch Young's orchestra.

Refreshments of cold pop, cookies, potato chips, and ice cream will be available in either the gymnasium adjoining the Bearcat Den Lounge or in the hall on the first floor. A local florist has agreed to decorate the long refreshment table with a large center piece and with flowers at each end.

Come on out Friday night to enjoy an evening as the guests of the Air Force! The dress is informal. Good music, beautiful decorations, and refreshments! Sounds like an elaborate school party!

These Receive Important Positions

CHAIRMAN MELVIN CLOTHIER

EDITOR MILDRED MAXON

Tower Staff Selects "College Impressions" as Annual Theme

Mildred Maxon Will Be Editor; Joe Collier Remains Business Manager; Betty Reeves Will Be Art Chief

"College Impressions" is the theme that has been chosen to keynote the 1952 edition of the Tower. Modern art will be extensively employed throughout the book in carrying out the theme.

Mildred Maxon, a sophomore from Maryville, will head this year's Tower staff. Originally, Nadine Cramer of Pasadena, Texas, was slated to fill the position as editor. However, early last summer she decided not to return to the campus.

Collier Is Business Manager

Senior Joe Collier will remain in the position of business manager that he held last year on the staff. Joe is a business major and he has been active in Alpha Phi Omega and Off Campus Klub. He is from Shenandoah, Iowa.

Fine arts major Betty Reeves will fill the all-important post of art editor. Betty, a senior from Kansas City, is serving her first year on the staff.

Other members of the 1952 staff are as follows: Pat O'Neal, Harley Hackett, La Rue Butler, Betty Eisminger, Alice Arbuckle, Mary Ellen Daniels, Dick Oakerson, John Garner, and Mary Jane Peck.

Dates Are Set for Pictures

Monday and Tuesday of this week the seniors had their individual pictures taken for the new edition of the Tower at the Amos Studio. Pictures of the juniors will be taken September 28-29; faculty members, September 28-29; sophomores, October 1-2; freshmen, October 3, 4, and 5.

Hours for having the pictures taken are 9 a. m. to 4 p. m. The studio will take four poses from which the student may choose. The cost of a new picture is \$2.04. Reprints of last year's picture may be obtained at the studio for \$0.50.

All groups are urged to organize as soon as possible in order that pictures may be taken for the 1952 Tower in the near future.

Melvin Clothier Heads New Group

Variety Show, Parade, Dance Pose Problems

Twenty-five organizations sent representatives to a Homecoming committee meeting Thursday, September 15. From this nucleus of members, Melvin Clothier, junior from Manning, Iowa, was selected as chairman, and in concordance with Dr. John L. Harr, will be in charge of the 1951 Homecoming proceedings. Homecoming will be October 26-27.

Herbie Awe, chairman last year, will act as ex-officio member of the committee and in an advisory capacity to the new chairman.

Many new problems will confront the new chairman. Of most concern will be the availability of the gymnasium for the Homecoming dance. The Air Force quarters are located in the gymnasium at the present, and no definite plans can be made.

In conjunction with this problem will be the difficulty in obtaining an orchestra. With the location of the dance unknown, the size of the orchestra cannot be contemplated and, consequently, action will be postponed until a later date.

Variety shows in previous years have been so successful that the auditorium has not been large enough to accommodate the throng of Homecomers. The main committee has discussed the possibility of having two presentations, either Thursday and Friday, or an afternoon and evening performance on Friday.

Further consideration of the problem, however, will be thrashed out by the Variety Show committee. If any student has a logical conclusion or suggestion, he should contact any member of the Homecoming group and submit his plan.

From the nucleus committee were chosen various chairmen of the many committees which will work on special phases of Homecoming.

Wait Stanton, as representative of the "M" Club, will head the committee on the queen contest and float. His task will be to make arrangements for nominations and election of Homecoming queen and to construct the float for the court.

The organization of the parade has been given to W. E. Ogden. His momentous responsibility includes arranging and organizing the parade, receiving entries, providing numbers for floats, clowns, jaloopies, etc.

Oretta Knipmeyer will chairmen the committee on campus decoration; Beverly Pile will shoulder the gigantic task of decorating for the dance.

Contacting alumni will be the duties of Mrs. Lillian Pease, and Jo Ellen Wilson will head the committee of sign makers for the other committee groups.

One of the most captivating events, the Variety Show will be handled this year by a co-chairmanship in Sue Condon and Dwan Wick. Their job is to make all arrangements for (Continued on Page Two)

Campus Waits for Walkout Day; Freshmen Shudder at Thought

By DEAN WINTERMUTE

Soon the Victory Bell will sound out its annual message. Walkout Day! Those glorious ventures for the upperclassmen! Those dismal hours for the unsuspecting freshmen!

Walkout Day is the official formal initiation administered to the freshmen each year. It constitutes a walkout from all classes and consequently the closing of school for that particular day.

When?

When it will be and what it will be are the problems which confront the luckless freshmen; but they can be assured that much consideration has been given to the problem.

In charge of these proceedings, if there will be any (and there is some doubt that there will be), is the College's "M" Club. Officially the Student Senate senior senators Jo Ann Cutler and John Yurchak are co-chairmen of this day. They will work closely with Bob Hemmaway, president of the "M" Club.

Past Activities

Some of the past proceedings on

Walkout Day have been mock cheerleading, potato racing, ticket selling, diaper-pinning, the bottle feeding, and redhead beauty contests. These activities are open to all freshmen and plenty of opportunity will be given to those who would like to try out.

Most popular of all is the "swimming demonstration," staged by the freshmen upon being thrown into the pond. Of course, there will be some unlucky men who will have "hair cutting" experiences before the water splurge.

Committee Discretion

These proceedings are traditional and are not necessarily part of the program for this year. What new hazing techniques may be added and what old ones may be dropped is up to the discretion of the Walkout Day Committee.

The best advice to freshmen is to obey all the rules. The outlook is not very bright, but there may be a spark of hope for the green beanle wearers that this "Day" has been postponed.

Faculty Formally Welcomes Fresh men and Air Force

Approximately four hundred students attended the formal reception held in the home of President and Mrs. J. W. Jones, Tuesday evening, September 19, in honor of freshmen and Air Force men. Some are pictured above as they were greeted by Dr. and Mrs. J. W. Jones, Dean and Mrs. William Brandenburg, and Captain and Mrs. Howard M. Wandrup, who were in the receiving line. Among the students, left to right, are Owen McIntyre, Mound City; Mizella Lemar, Maitland; and A. A. Des Jardins, Oakville, Connecticut.

A bare scalp wouldn't be so bad as Long as the Weatherman is on your side, but in Casey brings lots of Snow, you would be in for it.

By CENA DAVIS

Somma these days you will see the "M" Club members in a Huddle, the bell will ring, a Horn will Blar, and Walkout Day will be upon us.

Mylan, but the girls have it made! Just a relay race down the middle of the Rhodes or something. Of course, the "M" Club members like to put White tape in Cole black or Long Brown hair, and it would take a lot of Pullen to get it out, even if you worked like a Beaver.

A warning to you, McCoy young ladies: Don't try to Curry favor.

If you just Buckles Wright down to the boys, they will no Moore bother you than anything. And stay where they put you. If a girl tries to get away, they Hunter up and she has to pay the Price.

Ashford you fellows, you had better Gollygity, or throw away your Combs, because you will be a Baldwin for sure.

Walkout Day isn't too bad. It's just a Cross you have to bear, and if you are a Freshman you are stuck with it.

Keep Appointments!

Mrs. V. T. Smith, College nurse, wishes to announce that freshmen are not excused from their physical appointment to attend classes, but must keep the appointment unless they are ill or the appointment falls on a school holiday.

President J. W. Jones Welcomes Students at Opening Assembly

Dr. J. W. Jones, president of the College, issued an inspiring challenge at the opening assembly on September 19. He urged students to lift up their eyes and behold the opportunity to stand for things that will make the College a better place.

Dr. Jones placed the responsibility for the task of enriching and beautifying the campus squarely on the students' shoulders, stating that it is the students, not the faculty or administration, who determine to what heights a college will develop.

Three Points Are Emphasized

There are at least three things which everyone can do to improve conditions on the campus, according to Dr. Jones. The practice of dropping litged cigarettes, he said, not only ruins the appearance of the campus and the floors of the smoker, but is, in addition, a great fire hazard. He emphasized that this bad habit must not be carried into the Student Union building.

Dr. Jones said that the careless behavior of many people has forced him to hire a policeman who will be on the lookout for speeding drivers. Those who are caught, regardless of their rank on the campus, will have to "pay the penalty." He urged student drivers to slow down to a reasonable rate of speed.

Do Not Cut Paths

Students were asked by the president not to cut paths on the campus; he said that, as soon as possible, sidewalks will be laid in all places where they are needed. As an example of the good work which can be done on the campus,

Dr. Jones cited two organizations, Alpha Phi Omega and "M" Club, which have performed deeds of service to the College.

Chamber of Commerce Gives \$500
The president briefly mentioned Homecoming and the job which will face students at that time. He also stated that the Chamber of Commerce has given \$500 toward Homecoming and that the Quarterback Club has offered its financial assistance.

Another matter which the president discussed was school spirit at the football games. He stated his opinion that if the pep organizations were disbanded and everyone formed one large cheering section it would be more to the advantage of the school.

Jo Ann Cutler Accepts Cup
Dr. Jones also presented the Pan-hellenic scholarship cup to the sorority with the highest grade average for last year. This distinction was won by the members of Delta Sigma Epsilon. Their president, Jo Ann Cutler, accepted the cup for the sorority.

Student Senate President Dick Gordon, who presided at the assembly, reiterated Dr. Jones' words about the smoker and told of the Senate's plan to redecorate it, requesting only that from now on, it be kept clean.

Dr. John L. Harr spoke about the Homecoming plans, and urged one-hundred per cent participation in the event.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

BOYS IN BLUES

On September 15 a crowd of "boys in blues" filled up those vacant spaces which occur in every stadium to cheer on the efforts of the State College's team and especially to see prowess displayed by their own fellows. They weren't disappointed. The first touchdown of the season was scored by none other than P. F. C. Batcha of Group 21.

This is an excellent example of the sort of teamwork which is prevailing between the college and members of the Air Force stationed at the school.

President Jones has invited the "unformed students" to join in all athletic and extra-curricular activities sponsored by the school.

The gesture has been accepted and without pomp or display all the students within the school have joined their particular talents in providing a better program at the State College.

Now the students have generously decided to share their newspaper with the Air Force and here we go again filling up vacant spaces. Whether it's on the football field or on the front page of the local newspaper "Here's hoping for a better and greater State College at Maryville, and thanks a lot."

BUT WHY WORRY?

Even though all the freshmen complain about the green beanies, no one seems to mind them. They help freshmen get acquainted with one another, and all seem willing to answer questions when they spot the tell-tale green beanie.

Here are some comments from some freshmen about the beanies. "Cute, the first week, but, tire some." "I don't even know I have it on." "I've decided I've got to wear it, so why worry?"

The beanies do cause a few bad moments, though. It is pretty hard on one's ego to have a kindergarten child spot the green hat, and remark, "There goes a green freshman."

Each time a freshman puts on his beanie, he thinks of last year's walkout day and wonders how long he'll have any hair left to put a beanie on.

All in all, though, the freshmen are good sports. Next year they will be sophomores, and other freshmen will be wearing identical green hats, and revenge is sweet.

GREATEST OF ALL

"Back again," we may have sighed as classes started a few days ago. It's hard to give up the leisure, free from studies, that we have had this summer. But we are ready now, and willing to go, working at our studies, working for the campus organizations, and working to make this year the best our campus has ever experienced.

We, the students of this college, can accomplish great things for our Alma Mater, as well as gain invaluable experiences for ourselves. And there is nothing keeping us from accomplishing this except an inward self which may say, "What will I gain?"

But now it is our time to shine. Let's all show ourselves and others that we have what it takes to conquer big obstacles and to grow very materially in carrying on these constructive campus activities. Let's do get into the swing of things and make the 1951-52 school year the greatest year of all college days.

—Richard Gordon

DO YOU SMOKE?

Do you smoke? Do you enjoy sitting in the smoker talking over the next class with your fellow students? If so, you will agree with me that the smoker is a very valuable room in our Administration Building. The smoker is a room where we can all go for a few minutes of relaxation to help break the routine of every school day. So let's try to help ourselves to keep it in a respectable order.

From the Air

Meeting the Man Who Wear Air Force Blue

This is how it looks! Since the Spartans first instituted Army life with a barracks atmosphere, there have been the perpetual gripers. Maryville is no exception! For the past few months a favorite space-filler has been the gripe. We have gripped about chow, housing, lack of entertainment, cigarette smokers, fungus, high prices, and cowboy movies. Let's take a look at what we have left behind us whether it be a few weeks or three months ago.

Now we arise at the late hour of 6:30 a.m. instead of 4:30 (in the afternoon); we stand in line for chow only a half hour instead of 25 minutes; the food is served on plates (no matter its quality); instead of 50 men competing for 20 washbowls, its 150 competing for 6 of the same; this may sound like a gripe, but think of the opportunity it gives one to meet people of all sizes or forms. During basic training, we stood in long lines outside the P. X., but now there's no P. X. We never saw girls, now, WOW! (This can be taken any number of ways.)

But seriously, and to use an old cliché, "all joking aside," things are really much better in this vicinity than they ever were at Lackland, Sheppard, Kessel, or horror of horrors, Sampson.

The Air Force is contributing three budding Thespians to the first production of the speech department, "The Hasty Heart." Clayton Fox of Group 18 will handle the leading role of Lachlan the Scotsman; Alex MacTaggart of Group 18 will take the part of Digger, the Australian; and Bill Hessler, Group 22, will play the supporting role of Kiwi. We're glad to see that someone is making a contribution towards the campus life. This adds to the laurels garnered by P. C. Batcha of Group 21 who scored the first touchdown of Maryville's football season.

Note: If anyone knows the whereabouts of 75 uniforms, Winter, Ike Jacket or Blouse, Shade 84, Blue, please contact any member of Groups 17, 18, or 20. They can easily be identified by the O. D. uniforms in which they will soon garb themselves to protect their measly bodies from the Northwest Missouri temperatures.

Walter Kossman and Jack Forster.

Former President's Wife Dies at Home

Tessie Degan Richardson, wife of Dr. Ira Richardson, former president of Northwest Missouri State College, died at her home in Alamosa, Colorado, on Monday, September 10, after a long illness.

Mrs. Richardson was graduated from the College in 1919 and was on the faculty for a time. She was active in college activities, especially in the fields of literature and drama, and was a member of the Philomathean Literary society.

After leaving Maryville, Mrs. Richardson served as registrar in the state college at Dillon, Montana, and in the college at Alamosa. She received a Master's degree in English from the University of Colorado at Boulder.

Mrs. Richardson was state president of P. E. O. in Colorado and was completing arrangements for a state meeting when she was stricken with paralysis some four years ago.

Miss Millikan Attends State's AAUW Meeting

Miss Chloe E. Millikan attended a meeting of the State Board of the Missouri Division of the American Association of University Women on September 14 and 15. The meeting was held in the home of Mrs. J. C. Parish, the first president of the Missouri Division.

Miss Millikan is the first vice president of the state division of A.A.U.W.

Dr. Blanche Dow was the speaker at the dinner meeting on Friday evening.

Cpl. Glen E. Ellis Is Instructor in Wyoming

Cpl. Glen E. Ellis, former student, is an instructor in the Air Force Special Vehicle Operators school at Cheyenne, Wyoming. Basic training was received at Lackland Air Force Base, Sheppard Air Force Base, and Travis Air Force Base.

While at Travis AFB, Cpl. Ellis also had the task of driving for Hollywood stars on Operation Starlift, shows presented to the Korean wounded.

Seminars Are Planned For the Fall Quarter

In following a policy established last year, four seminars are planned for the Fall Quarter. All meetings will be held at 4 p.m. in the Horace Mann auditorium.

On Thursday, September 13, the seminar consisted of a general orientation talk by Mr. Miller. Later, a social get-together was held in the kindergarten room.

The second seminar will be held October 4, third, November 1, fourth, November 15.

Quinn's Visit Camps
Mr. and Mrs. Edd Quinn and their two children visited the campus recently. Mrs. Quinn is the former Laura Margaret Davis.

Delta Sigs Nab Prized Supremacy Cup

Members of the Delta Sigma Epsilon admire the Supremacy Cup which was presented them in the assembly last week. The sorority had the highest grade average among its members in competition with the Sigma Sigma Sigma and the Alpha Sigma Alpha. Vet Village News

By HOMER A. BAXTER

Welcome to all the newcomers. Donald "Speedy" Blair and family returned from Georgia, September 1, where they had been visiting Mrs. Blair's relatives for several weeks. "Speedy" says he is happy to be back studying again.

George Barret spent the month of August working for the Atkinson Construction Co. in Harrison County, building bridges.

Dick Morrison was released from St. Francis hospital Sunday, September 16, where he underwent an appendectomy. He is now at home and feeling much better.

Weed Catches Pike
Marvin Weed caught an eight pound wall-eyed pike in Minnesota during his vacation in August. Disbelievers will soon be able to view the remains. The monster is in the process of being stuffed.

Frank Johnson and Jane Bovard, who were married September 13, have taken up residence in Apt. 10-2 in Vet Village.

Mr. and Mrs. Billy Pease of Apt. 12-2 are also recent newcomers.

Visit in North Carolina
George Bunch and family visited in North Carolina during August.

Marvin and Maxine Weed went to Des Moines, Iowa, September 16, to visit Maxine's father, who is hospitalized as a result of an automobile accident.

Don Manship is back in Vet Village after a year in the Army.

May Drain Lake
There is a rumor going about that the lake across the street from Apt. 16 is going to be drained. If such an event should take place, it will be very disappointing to those who have begun construction of duck blinds.

Blackwells Fish at Rock Village
After supervising instruction in the Air Force clerk-typist training program during the summer, Mr. Dale Blackwell, with Mrs. Blackwell and Roger Dale, their son, enjoyed swimming, boating, and fishing over the Labor Day week end at the Rock Village resort on the Lake of the Ozarks. Approximately 500 crappie were caught at the fishing rock there on Saturday. The Blackwells took home their share.

Mulford Tests Sea Legs
In order to test his seaworthiness, Mr. Harold A. Mulford of the social science department embarked on a two-week Naval Reserve training cruise during his vacation.

His trip up Chesapeake Bay from Norfolk, Virginia, to Annapolis, Maryland, did not make him seasick. Mr. Mulford states, however, that perhaps this ten-hour cruise was not a real test of his sea legs.

Mr. and Mrs. William Blohm visited the campus last week. Bill, a former student of the College, has been in the Air Force for eight months, and is at present stationed at New Castle County Airport in Wilmington, Delaware. The couple were married on Sunday, September 16, in the Methodist church at Stuart, Iowa.

Getting Together With Your Missourian Editor

Recreation Begins Here

Air Force men are now part of the family on the Maryville campus, and, as are the civilian students, subject to the same environmental conditions. The "weekly mimeographed booklet each Air Force group issues, upon completion of its course, is very suggestive of the opinion which has been prevalent upon this campus for many years.

Virtually every contributor to this sheet stressed the opinion that there was no entertainment offered in the city of Maryville. And so they are right! But, so what?

When the town rolls up its sidewalks early each evening, it is no indication that this campus must do the same!

Are college students so non-self-sufficient that they cannot provide their own entertainment in their own institution, regardless of outside conditions?

Students should be observant of the items included in their activity fees which they pay each quarter. One dollar is paid for the student union, a fund from which should come all the entertainment necessary for any college campus.

In reality, a complaint of the recreational facilities in the city of Maryville is an admission of the failure of the College or its students to provide sufficient entertainment here on the campus.

The city is not responsible to the students, nor the students to the city. But the College has an obligation, and such an obligation is reciprocal, calling upon the students for cooperation. If there were to be no suitcase students, the campus might be amazed at the elaborate recreational program which could be maintained.

The sixty-four dollar question is this: "Are the students here for the entertainment, or is the entertainment here for the students?"

Maria Ardiles Spends One Month Traveling

Maria Ardiles, student from Argentina, spent the month of August traveling in Mexico and parts of Western United States.

Some points of interest which she visited were Tulsa, Oklahoma, Dallas and San Antonio, Texas, Salt Lake City, Utah, Boulder, Colorado, Monterey and Mexico City, Mexico. She says towns in Mexico are very small, but very beautiful.

In Mexico City, she met an Argentine girl who lives in Mexico and stayed 10 days with this friend. Maria particularly liked her trip to Mexico because she enjoys and appreciates all types of Indian and Spanish expression of art.

Difficulties arose at the border when Maria attempted to return to the United States. It seems that a letter was required from the College president stating that she was a student here. She immediately telegraphed President J. W. Jones who sent the necessary letter. Needless to say, Maria put in several anxious hours waiting.

In Boulder, she spent four days with Miss Anne Arnold, former English instructor at Horace Mann school. While there she came to the conclusion that the reason we people here in the United States believe our mountains to be so magnificent is that we are constantly reminded of their grandeur in advertisements. She believes our impressions are colored by what we have read.

Dean and Registrar Go West to Camp and Fish

This August, Dean W. A. Brandenburg with his two nephews and Mr. Robert Foster, the registrar, with his family, met in the region of Estes Park, Colorado. Dr. Brandenburg, his two nephews, and Mr. Foster decided to venture out for a three-day, twelve-mile pack trip to Lake Nanita and Lake Nakoni where the fishing is said to be superb.

During the second night of the outing an inventory of the food supply disclosed that there were four cans of soups, each one a different kind, a large can of beans, coffee, and pancake flour left. However, there was plenty of fish.

Dr. Brandenburg became the chef for the evening and prospects of a meal for royalty were evident until the logs upon which the soup and beans were simmering rolled far apart. Down into the fire disappeared the soup and beans. With only coffee, pancakes, and fish on the menu for the remainder of the trip, it was questioned whether the Dean was the one to be placed in charge of food.

Although exhausted and famished when they returned to civilization, thanks to Dean Brandenburg, the party seems eager for another excursion.

The Stroller

High above the fourth floor there are two towers and in one of these towers sits the Stroller, the man who knows all and sees all that goes on on the campus. He has a staff that makes the Gestapo look like a bunch of amateurs. He has spies everywhere; he knows all about everything you say and do, and even what you think.

SPECIAL TO ALL FRESHMEN — Wear that beanie all the time. Sleep in it, if necessary, but don't get caught without it.

"Bruno" Oakerson—Better have your picture taken before Walkout Day so that you'll remember what all that hair looks like.

Harry Yungshlager is kicking himself for not staying in Pittsburg and keeping that highly lucrative (that means lots of loot) position.

Congrats to all the new cheer leaders. Let's all get behind them and stay there for the whole year.

Lyle Martin is back with lots of new (?) jokes this year. The Stroller thought that Milton Berle was off the air all summer.

Famous Last Words Dept.—Overheard in the smoker: "I will not wear my beanie if I don't feel like it. They don't throw girls in the pond." We got news for you, honey; someone has given ya the wrong scoop.

Did you ever notice the striking resemblance between Ted Baldwin and Jerry Lewis, the actor. On a foggy day you can't tell them apart.

The latest of the week comes from Jane Costello. She tells the Stroller she has written a song about an Irish milkmaid entitled "Sweet Rosie O' Grade A." Very, very clever.

Can it be that the Greek social organizations are not so social anymore? Attending the Independent Club party in the flesh, bones, and complete torso were such eminent folks as Bill Corkin, Gus Clothier, George Anderson, and Phi Sigs, Hershel Neil, Jerry White, Bill Gram, Jerry Shiel, and Bill Ogden. What's the matter, fellows, are ya losing that old charm?

Question of the week is "What is a Litter-bug?"

Well, scholars, that winds it up for this time but The Stroller will be back in the next issue with more news, some good, some bad, but all interesting.

Hasta La Vista Amigos.

Committee Plans for Better Homecoming

(Continued from Page One)
planning, practices, and staging the Variety Show.

Publicity will be under the direction of Herbie Awe. This will include the dissemination of movie trailers, posters, stickers, newspaper and radio stories, and all advertising.

Responsibility for the printing and sale of the tickets for the dance will be George Bunch's. Dick Gordon will work on the procurement of an orchestra.

Although these various students will head committees for a Homecoming success, it is the initiative and participation of each student which adds up to the quantity and quality of success.

Freshmen students are urged to get in touch with the chairman of any committee he is interested in. Since all Homecoming work is done on an organizational basis, there is little opportunity for the freshmen to take part unless they take the initiative.

Justyn Graham, Home From Navy, Will Teach

Justyn Graham was back in naval service last year. He was a yeoman on the water ship, Pisgah, and served in Japanese and Korean areas. The duty was to carry four million gallons of fresh water and to service ships in the area.

He returned to the United States in the middle of August and received his discharge. His first naval service was in 1945-46. He was a member of the naval reserve and was recalled to service.

He has returned to his teaching position in the Atchison, Kansas schools.

President J. W. Jones Speaks to A. A. U. P.

The A.A.U.P. was scheduled to meet last night in Room 309. President J. W. Jones was to be the principal speaker of the evening.

The officers of the A.A.U.P. are as follows: Miss Dora B. Smith, president; Mr. William T. Garrett, vice president; Dr. Joseph A. Drees, secretary; Miss Vida Dunbar, treasurer.

Mrs. Marvin Batt is teaching home economics in the Sheridan high school this fall. Mrs. Batt, who was graduated in the spring quarter of 1951, was Leola Shipley before her marriage June 3.

Myrl Long Attends Teachers Meeting

Mr. Myrl Long of the physical science department was a delegate from the Community Teachers Association to the meeting held by the National Education Association and the Missouri State Teachers Association held in Columbia, September 7, 8, and 9.

Principal topics at the meeting were Legislation and Finance, Publicity and Organization, and the program of the C.T.A. Present at the meeting were national officers as well as state officers.

The local Community Teachers Association elected Mr. Myrl Long, president; Miss Mabel Cook, vice president; and Miss Violette Hunter, secretary-treasurer. The directors for the coming year are Mr. F. B. Houghton, Dr. Leon Miller, and Miss Bonnie Magill.

Miss Mattie M. Dykes Will Attend Meeting

Miss Mattie M. Dykes of the department of English, who is president of the National Federation of Press Women, will go to Boonville, September 29, to attend a meeting of the Missouri Women's Press club. She will give a report on the national convention held in Seattle, Washington, at which she was elected president.

On October 6, Miss Dykes will go to Des Moines, Iowa, to be the dinner speaker at a meeting of the Iowa Press Women at Hotel Fort Des Moines. On October 18, she will be in Chicago, Illinois, where she has called a meeting of the Executive Board of the National Federation of Press Women.

Lest We Forget

The dorm fire is over, and I am sure none of us want to be reminded of it.

Roberta Steele, however, is in the hospital in St. Joseph going through most painful surgery.

Every student should take time off to drop Bert a line whenever possible. You may not think this important, but when one is lying in a hospital, mail is a very nice thing to have. We can all help this courageous girl by sending her letters or postcards. Let her know that we are eager for her recovery.

Bert has a long hard pull ahead. Let's show her that we are with her. Roberta's address is: Missouri Methodist Hospital, St. Joseph, Missouri.

"Baby" Sorority Wins Coveted Supremacy Cup

The coveted scholarship supremacy has been awarded to Alpha Phi chapter of Delta Sigma Epsilon for the year of 1950-1951. In the first assembly of the year on September 19, President Jones presented the cup to Jo Ann Cutler, Delta Sigma president. The president mentioned in the presentation that Delta Sigma Epsilon is the "baby" sorority on this campus and expressed the wish that it would keep on growing.

The custom of giving the cup to the sorority with the highest scholastic standing was originated by the Pan-hellenic Council. The registrar computes the grade averages of the social sororities and the results are known to only a few persons before the presentation assembly. Possession of the cup for three consecutive years insures permanent ownership. This is the first year that Delta Sigma Epsilon has won the cup.

ACEI Picnic Provides Enjoyment for Members

Another big year for the Association of Childhood Education International, an organization for elementary majors, was launched September 17 with a picnic for all old and new members at the College Park.

Marty Ingles, social chairman, and Audrey Bentall and Jean Long planned this first social event. Kay Vest and Lillian Witt were in charge of games that were played.

Diane Clements was elected vice president to replace Mary Beth Fries who did not return to school. Miss Chloee Millikan, sponsor of the organization, was there to welcome the forty-two girls who attended the picnic.

California Alumni Have First Reunion in July

California alumni of Northwest Missouri State College met in July for their first reunion. Plans were drawn up to make the meetings an annual affair. Although only twelve alumni were present, members of their families raised the total number to fifty-one.

William R. Bills, San Francisco, was general chairman of arrangements. A letter of greetings from Dr. J. W. Jones, president of the College, was read to those assembled. In his letter Dr. Jones said that the reunion picnic was a "splendid idea."

Sig Tau Frat Has Important Meeting

Members of the Sigma Tau Gamma social fraternity met September 12 and 19 to open the fall quarter and to prepare for the arduous Homecoming problems.

Thirty-two fraternity men are active in the Sigma Tau Gamma this quarter, and President Bill Corken had a host to select his chairmen from the various committees to handle the many difficult Homecoming problems.

Charles Oellerman and Wayne Boydston were appointed as chairmen of the float committee; George King and Herb Awe were named as heads of the skit committee; and Stan Ogden and George Anderson are to be chairman house decorations. J. C. Hall has been appointed to the responsible position of social chairman, and is consequently in charge of the Alumni banquet October 27.

Dick Buckridge, because of special contact, was appointed to procure cars for the Homecoming parade.

Members of the fraternity who are active this quarter are George Anderson, Vernon "Sonny" Asmus, Herb Awe, Morlyn Barrett, Wayne Boydston, Jack Bright, Dick Buckridge, Tom Carver, Mel Clothier, Don Corbin, Bill Corken, George Coulter, Bill Davis.

Jim Gillett, J. C. Hall, George Haws, George Kling, John Koffman, John Lindell, Kirby Lyle, Herschel Martin, Frank Meyer, Bill Norton, Charles Oellermann, Stan Ogden, Don Palmer, Rex Plummer, Austin Pollard, Charles Ramsey, Ken Reynolds, Glenn Sherry, Bill Stevenson, and Dean Stuck.

Alpha Sigma Alpha Is Busy for Homecoming

Alpha Sigma Alpha sorority members are already busy with their preparations for Homecoming.

The following committees have been chosen to formulate plans for the yearly event: Float, Audrey Bentall, chairman, Jean Long, and Joan Lynch; Variety show, Jean Short, chairman, Marty Ingles, Barbara Roush, and Sue Condon; House decorations, Evelyn McGregor, chairman, Alice Arbuckle, and Bette Williams.

Joyce Bailey Is Elected

Joyce Bailey has been elected vice president of the Alpha Sigma Alpha sorority. She replaces Nadine Cramer, who is attending school in Texas this year.

Deltas Hold First Sorority Meeting

Alpha Phi chapter of Delta Sigma Epsilon held its first meeting of the year in the oriental atmosphere of Hsieh Chin Tang, the chapter room in the home of Dr. and Mrs. Harry Dildine. Jo Ann Cutler, president, presided at the meeting.

Other officers for the next year are as follows: Betty Curry, vice president; Barbara Hudson, recording secretary; Carolyn Hunt, corresponding secretary; Dorothy Stanton, alternate secretary; Dorothy Jean McCartney, chaplain; Shirley Alden, treasurer; Beverly Harvey, sergeant; Mary Ellen Daniels, editor; Rosetta Reed, historian; Mary Lou Moore, Pan-hellenic representative; Mary Jo Winn, social chairman.

Plans for homecoming are in full swing with Barbara Hudson acting as general chairman. Committees chosen to plan Alpha Phi's part of Homecoming are composed of the following people: Variety Show, Mary Jo Winn, chairman, Mary Ellen Daniels, Lucille Steinhauer, Parade, Carolyn Butt, chairman, Treva Jo Thompson, Shirley Alden; House Decorations, Dorothy Stanton, chairman, Beverly Harvey, Rosetta Reed. The Delta Sigma representative to the Homecoming committee is Mary Lou Moore.

A new metal strong box is to be purchased for the chapter room since the old wooden one and many sorority supplies were lost in the dormitory explosion last spring.

Lee Clyde entertained the group with several accordion selections after which Maria Ardles sang a Spanish song with Wilbur Wright at the piano. Wilbur also played a Spanish Tango and accompanied Oretta Knipmeyer and Dick Gordon who sang "Shortnin' Bread" and "Dearie."

"Bruno" Oakeron conducted a hula-hula dancing contest and sang a song. A relay race, round dancing, and the serving of refreshments concluded the evening.

Miss Mabel Cook Is New Sponsor of DSE

Miss Mabel Cook, home economics instructor, has accepted the position as sponsor of the Alpha Phi chapter of Delta Sigma Epsilon. Mrs. Ramona Mattson, the former sponsor, is on leave of absence.

Miss Cook received her Bachelor of Science in Education from Northwest Missouri State College. Her Master of Arts degree was obtained at Columbia University, and she has done graduate study at Colorado State College of Agriculture and Mechanical Arts, Iowa State College of Agriculture and Mechanical Arts, and at the University of Chicago.

She helped to found Kappa Omicron Phi, a national professional home economics fraternity, and she is at present sponsor of the chapter on the campus. She is also a member of Beta Sigma Phi and is past president of the American Association of University Women. Delta Sigmas feel certain that Alpha Phi will progress this year under the direction of Miss Cook.

Mrs. Hamman Is Secretary
Mrs. Virginia Hamman, assistant in the English department, has been appointed Corresponding Secretary for the National Federation of Press Women. Her term of office is two years. Mrs. Hamman will attend a meeting of the Missouri Women's Press Club at Booneville, on Saturday and Sunday, September 21 and 22.

Sigma Sigma Sigma Celebrates Its Twenty-fifth Anniversary

Alpha Epsilon chapter of Sigma Sigma Sigma will celebrate its twenty-fifth anniversary on the campus this year. The chapter was founded April 19, 1927, by Nell Hudson, Hettie Anthony, June Cozine, Margaret Sells, Margaret McMurray, Virginia Robinson, Lula Mae Curfman, Loretta Jones, Rebecca Briggs, and Susie Hankins. Dr. June Cozine of the home economics department is now the faculty sponsor.

National inspection is scheduled for this fall and will last several days. Some of the national officers will be on the campus this spring for the silver anniversary celebration.

Plan Party Each Month

A social function of some kind is planned for each month. Tentative plans are now under way for a fall formal this year. Other annual events are the Mother-Daughter tea and "See" dance in the winter, the spring formal, and the summer picnic.

Tri Sigmas work on various charitable projects throughout the year, also. These include a basket to a needy family at Thanksgiving and Christmas.

Several girls were pinned, engaged, or married during the summer. Margie Lewis and Norma Waters received pins; Joan Hartell was engaged; and Shariis Marple, Marjorie Elam, Shirley Wiles, Jeani Overstreet, and Dorothy Hart were married.

Two Are Cheerleaders

Dorothy Noelsch and Joan Hansen were chosen as cheerleaders this year. This is not a new experience for either of these girls as this is Dorothy's third and Joan's second consecutive year.

The chapter room has been recently redecorated and everyone is very proud of it.

Committees have been appointed by Betty Wilson, president, and work has been started on the Homecoming activities.

Independents Have Introductory Party

Room 114 was the setting of the Independent Club party held Wednesday evening, September 12.

After the introduction of the faculty sponsors, Miss Doris Hysler and Dr. D. M. Cooper, the club officers were presented. They are as follows: Oretta Knipmeyer, president; Bea Straight, vice president; MaryBelle East, secretary; Wilbur Wright, treasurer.

Lee Clyde entertained the group with several accordion selections after which Maria Ardles sang a Spanish song with Wilbur Wright at the piano. Wilbur also played a Spanish Tango and accompanied Oretta Knipmeyer and Dick Gordon who sang "Shortnin' Bread" and "Dearie."

"Bruno" Oakeron conducted a hula-hula dancing contest and sang a song. A relay race, round dancing, and the serving of refreshments concluded the evening.

Bill Terry, a former student of Northwest Missouri State College, is now stationed at Stuart Air Force Base in Newburg, New York.

Kappa Omicron Phi Has First Meeting, Assigns All Duties

Kappa Omicron Phi and the Home Economics Club held a picnic September 17 at the College Park to welcome the freshman home economics girls. After the picnic, which was attended by 50 home economic majors and minors, the group sang songs.

Kappa Omicron Phi held their first business meeting of the year in the Home Economics lounge with president Betty Curry presiding. Rosetta Reed was elected second vice president to fill the vacancy left by the resignation of Betty Wilson. Mrs. Betty Martin was elected recording secretary to fill the vacancy left by Marjorie Elam who is now married.

Bauman Heads Committee

Mary Bauman was named chairman of the work committee with Jo Ellen Wilson and Joan Kowitz on her committee. Jo Ann Cutler was named chairman of the social committee, and working with her are Lucille Steinhauer, Marilyn Hartell, and Rosetta Reed.

Mrs. Betty Martin was appointed alumnae organizer and Dorothy Noelsch is chairman of Founders Day Banquet. Dorothy McCartney was named Homecoming representative.

Plans for Homecoming
Kappa Omicron Phi agreed to go with the Home Economics Club to make a float and decorate a house for Homecoming.

Eleanor Williamson was chairman of the committee for the picnic with Harriet Watson, Mary Bauman, and Lucille Steinhauer on her committee. Dr. June Cozine and Mrs. Myrl Dackin, the Horace Mann Home Economics teacher, were guests. Miss Rice, sponsor of the Home Economics Club was also present.

Five Deltas Teach In Surrounding Territory

Five Delta Sigma Epsilon sorority girls are teaching in surrounding territory. Mary Lee Bokkins is employed at Savannah; Bedona White and Dolores Reed are teaching in North Kansas City. These girls are elementary education majors.

Kathryn Barmann is teaching at Eugene Fields School in Maryville, and Mary Kimman is employed at Maryville High. The two latter girls are in the physical education department.

Off Kampus Klub Meets
Organized recreation and a discussion concerning the prospects for the Off Kampus Klub composed the program of the first meeting held September 20.

Senate Opens Year by Discussing Problems on Campus

Student senate members in the first of their weekly Thursday night meetings discuss problems which are prevalent upon the campus. Much progress is expected to materialize under the capable leadership of Richard Gordon. Left to right are Richard Gordon, president; Jo Cutler, secretary; Bob Hemenway and George Coulter, "M" Club visitors; Jean Long, vice president; Stan Ogden; Lucille Steinhauer; Mary Ellen Daniels; John Yurchak; Marty Ingles; Beatrice Straight; Dr. Sterling Surrey and Dr. Frank Grube, sponsors. Not shown are Herschel Neil and Terry Noah.

Fraternity Council Will Meet Tonight

The first official meeting of the Inter-Fraternity Council will be held tonight at the College Library.

Members who will be present are as follows: Mr. Lon Wilson, dean of men, who is the head of the Inter-Fraternity Council; W. T. Garrett, sponsor for Phi Sigma Epsilon; Dr. John L. Harr, sponsor for Sigma Tau Gamma; Bill Ogden, Phi Sig president; Lyle Martin, Phi Sig vice president; Bill Baker; Bill Corken, Sig Tau president; Mel Clothier, Sig Tau vice president; and John Koffman.

One of the first objectives for the council to act upon will be the changing of "Hell-week to Help-week. That is, the pledges would do constructive jobs instead of foolish, aimless errands. This would not take all the work out of pledging, but the work would be for the good of the campus and community.

Mallard Maune Becomes New PEM Club President

New officers of the Physical Education Majors and Minors Club are Mallard Maune, president; Ruth Ann Martin, vice president; Charlene Klme, secretary and treasurer; and Suzanne Lobdell, reporter.

All physical education majors and minors are invited to the future meetings. The time and location will be posted on the bulletin board.

Air Force Uses Cafeteria

Residence Hall cafeteria has been opened to provide meals for the members of the Army Air Force stationed on the campus. Miss Hattie Houp has resumed her duties as director there.

Twenty-Six Men Active in Phi Sigs

No chapter of Phi Sigma Epsilon held its first business meeting of the year at the chapter room on Wednesday, September 12.

Bill Ogden will guide the fraternity this year as president. He will be assisted by Lyle Martin, vice president; Max Miller, treasurer; Herschel Neil, secretary; Charles Watson, corresponding secretary; John Carlson, historian; Jerry Shell, sergeant-at-arms. Pledge masters previously chosen are now in the armed services.

Twenty-six men returned to active status this fall. They are as follows: Herschel Neil, Bill Ogden, Lyle Martin, Charles Watson, Max Miller, Marion "Mick" Ayres, Harmon Mothershead, Curt Gaffney, Calvin Goeders.

Bill Baker, Jack Burks, Jerry White, Wally Croy, Bob Crockett, Bill Graft, Tom Foster, Leonard Gercken, Allen Spies.

"Whitey" Hubbell, Dave Yount, Jerry Shell, John Carlson, F. B. Patterson, Orville Lippold, Harry Yungechlager, and Max Pierce.

Plans are being made in preparation for the activities of the fall quarter. First in line will be the annual fall warm-up party, followed by the rugged rush week and homecoming.

Teaches at Wisconsin U.

Miss June Cozine taught in the School of Home Economics at the University of Wisconsin during the summer session. She also spent one week of the summer working with a group of vocational home-making teachers on problems of evaluation at North Dakota State College, Fargo, North Dakota.

Alaskan Wolf Comes

"Whitey" Hubbell, senior of Ravenwood, has just reported that an Alaskan wolf is on its way to Maryville. This is food for thought for all the muchachos on the campus.

"Whitey," lately home from Alaska, seems to be the cause of the wolf's coming in this direction. His fire-arm worked well at just the right time.

Alpha Phi's Meet For Discussion of Plans

Brothers of the Beta Upsilon chapter of the Alpha Phi Omega met for the first meeting of the school year Tuesday night in the College smoker.

President Joe E. Collier emphasized a busy schedule for the coming year. The service fraternity's first activity will be the retouching of the campus signs erected by the fraternity last spring.

Intermediate Club Has Meeting; Plans Program

The Intermediate club held its first meeting, a social one, on September 11.

Throughout the school year the club plans to form debating teams to discuss educational questions.

The club meets Tuesday evenings every other week. The first debate will take place at the next meeting on September 25.

Officers of the club for this year are as follows: Joan Jones, president; Ethel Benson, vice president; Beverly Crane, secretary; and Beverly Harvey, treasurer.

Bearcats Battle Cardinals at St. Joseph Saturday

Patterson's Football Men Won National Recognition in 1951

William Jewell, Conference Champs Last Year, Is Real Test for Coach Milner's Veteran Team

Coach Ryland Milner's Green and White Bearcats play the third game of their nine game schedule this Saturday night at St. Joseph, when they tangle with the William Jewell Cardinals.

"It's going to be a rough ballgame," comments Coach Milner. "If we're up for the game we can win it. They have us way outmanned."

Norris Patterson, Cardinal football coach, has 85 men listed on the football roster. Of these, eleven are lettermen who were among the first twenty-two players on last year's squad. Outstanding men from all over the nation have reported for practice.

Jewell Won Championship
William Jewell lost the first encounter of their 1950 season to St. Benedict's, but bounced right back to win the MCAU championship.

Among those whom William Jewell beat were Missouri Valley and Central at Fayette, schools which sponsored leading midwestern football teams. William Jewell opened its season against Baker last Thursday.

William Jewell walloped Baker 42-6 Thursday night in their opening game. Baker was held scoreless until late in the fourth quarter.

Nationally, Coach Patterson's Cardinals last year were fifth in rushing offense with 2721 yards. They were in fourth slot in total offense with a net gain of 3,676 yards. They had the distinction last year of not allowing their opponent to score against them in the first quarter.

Met First in 1916
William Jewell first met Maryville in a football rivalry in 1916. The Bearcats were drubbed 102-0. Since that time Maryville has beaten the Cardinals once while losing three.

This contest will be the test. For Maryville, a pre-conference warm-up to determine its potential against strong foes like Springfield and Kirksville; for William Jewell it is a contest to see if they warrant the pre-season praise which is being showered upon them for their outstanding achievements last year.

"William Jewell is one of the leading small teams in the country. I know they are in Missouri," asserts Coach Milner, who, although respectful of the great power this team had last year, has confidence his Green and White gridders will be no easy overthrow and more likely stout contenders for the victory.

Twelve Return
Supporting his hopes are twelve returning lettermen, two of which are three-year letter winners and five who have lettered twice.

Coach Milner will be well-supplied in the backfield with Paul Tobin, Glen Sherry, Chuck Graham, and Kirby Lyle.

Roger Grunwald, who is making his first appearance on the Maryville gridiron adequately is filling the quarterback position vacated by Bob Hemenway, who has an injured hip.

Other Promising Backs
Other promising backs are Kenney Stevens, Bob Durham, Don Black, and Darrell Pullen.

At ends are lettermen George Coulter and John Yurchak, who were first line men last year. Nelson Koehler, Len Batcha, Don French, and Ono Monachino are adequate reservists for the wing positions.

Carl Leffingwell, Bob Dillon, John Hellerich, Howard Davenport, Don Palmer, and George Haws line up to form a substantial forward wall. Jim Gillett has shown ability defensively as has Bob Kariger and John Zech. Ken Reynolds, place kick artist, may prove to be invaluable Saturday night.

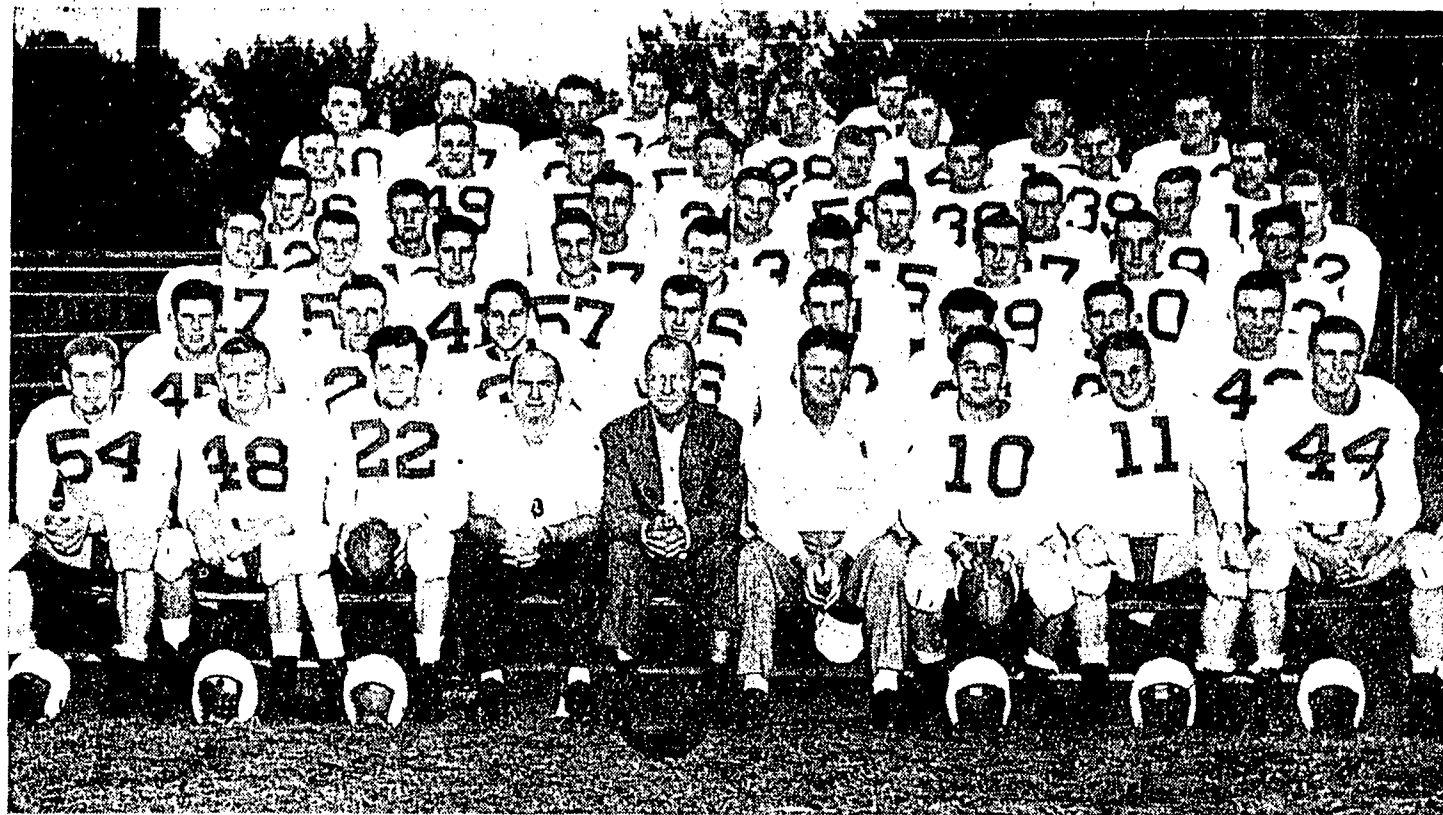

Maryville's starting line averages 197 pounds and the backfield reaches 185 pounds. Coach Milner will be relying upon that weight to push his Green and White gridders forward many yards.

Just How Hard Can You Push?

You can probably push the football team many yards Saturday night if you are at St. Joseph to encourage them against the William Jewell Cardinals.

No football team can be a success without having support. You, as students, are in the supporting cast—come out and play your part well.

Your Maryville activity ticket will admit you free. See you in St. Jo Saturday night.

Visiting Maryville Eleven Is Set Back 20-6 by Fort Hays

By George Nathan

Looking like a football team for all but seven minutes, the Bearcats went down to their first defeat of the season Saturday night by losing a 20-7 decision at Ft. Hays.

After 38 minutes of scoreless ball, the men of Coach Ryland Milner started to give the Tigers the ball game. Bill Davis, who had looked brilliant at fullback fumbled on the 'Cat 19 where Marion Schmidt recovered for Hays.

Tigers Score From Two
Eight running plays later, Eldon Matal rammed over from the two yard line for the game's initial score. With Matal holding, Don Campbell converted and it was Ft. Hays 7-0 with six minutes to play in the third quarter. Ken Stevens returned the Hays kick-off 18 yards to the 21 and on the first play from scrimmage Roger Grunwald had his attempted pass intercepted by John Rath who ran it back to the 25. After three running plays that put the ball on the 15, Matal passed to Alan Feist for 15 yards and

another touchdown. Campbell's attempted conversion was wide.

'Cat Fumble, Costly
The last Hays' score resulted immediately following the next kick-off. Bob Hemenway, playing his first game of the year, fumbled and Frank Haas, a giant tackle, recovered. A series of Maryville off-sides put the ball on the 'Cat two-yard line. Koyo McGillivray sneaked over from there. Blackie Roberts' conversion was good and with one minute remaining in the third quarter the Bengals had turned a close ball game into a rout.

With less than four minutes of playing time remaining, Maryville started a drive from the Hays 45-yard line. It wound up with Don Black breaking off tackle from the two for their only touchdown.

Bearcats Deadlock Missouri B, 13-13

Missouri "B" came thundering back against the Bearcats at Memorial Stadium to score twice in the fourth quarter after Maryville had gone into a 13-0 lead to deadlock the seasonal opener Saturday, September 15.

Len Batcha of the Air Force scored the first Maryville touchdown, and George Coulter caught one of Roger Grunwald's passes for the second tally.

Missouri's Hook and Jennings scored in the fourth quarter for Don Faurot to tie the game.

Dorothy Stanton Is WAA President

Dorothy Stanton, president of the Women's Athletic Association, presided at the first meeting of the year held September 17 in Room 113. She acquainted the new girls with what WAA is and what is done in the organization. This year, a variety of sports are planned to be played. Some are softball, soccer, basketball, badminton, volleyball, table tennis, and tennis.

An outing was planned for last Saturday at the Lake of Three Fires.

at Bedford, Iowa. The girls were to participate in volleyball, basketball, and horseshoe.

The officers for this year are as follows: Dorothy Stanton, president; Suzanne Lobdell, vice president; Ruth Ann Martin, secretary; Mal-lerd Maune, treasurer; Carolyn Butt, reporter; and Peggy Carstens, softball chairman.

WAA is open to all girls who are interested in sports, and in having a good time in this way. The meetings are held each Monday evening from 4 to 5 in Room 113.
